

stiora[®] baby diaper

Baby diapers are critical to the well-being of a baby, absorbing hygienically the body waste of infants. Babies have delicate and sensitive skin which requires special care and attention, especially from birth upto 24 months. Diapers are made sandwiching a super absorbent pad between non-woven fabric sheets and wood fluff pulp which prevents fluid leakage, bacteria growth and gives the diaper the desired shape.

We all know the benefits of diapers and hence every parent wants to make the right choices when it comes to selecting the best baby diaper for their little ones.

And **Stiora**[®] BABY DIAPERS are the right choice!!!

Globally accepted size standards with fitting leg cuffs that wrap neatly around baby's legs and bottom. Readjustable Velcro magic tapes for the best fit and comfort.

Give your baby the best welcome years with Stiora Baby Diapers.
